INTERVIEW SUMMARY RECORD

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicant wishes to thank Examiner Zimmerman for holding a telephone interview with the attorney of Record on January 28, 2005. The purpose of the interview was to discuss the Amendment After Final which was not entered in the parent application. This RCE requests the entry of the Amendment After Final.

During the discussion with Examiner Zimmerman, the prior art was compared to the claimed invention. This comparison corresponds to the comments made in the Remarks section of the Amendment After Final.

The attorney of record stressed the fact that the claimed invention is directed to a vehicle emergency communication system that has no bearing to a car stereo theft prevention system or a vehicle braking system when left in park, such as disclosed by the cited references.

No conclusion was reached but the Examiner indicated that he understood the specific purpose of the present invention as compared to the cited prior art.
